

# TERMS OF COVERAGE

Daimler Trucks North America offers the following Detroit OE Advantage Coverage plans for Detroit™ engines. Only HDEP Detroit engines sold at retail and used in the U.S. and Canada are eligible for coverage. In addition, the Detroit OE Advantage Coverage Levels and coverage periods may vary. Parts and Labor are covered in the warranty coverage.

## ENGINE ELIGIBILITY

Coverage is exclusively available for Detroit HDEP Platform Engines DD13, DD15 and DD16. **Inspect and Repair document and process must be completed to qualify. All documents and brochures for this product can be found at the DTNA Connect site on the Extended Service Coverage page.**

## DETROIT OE ADVANTAGE TERMS OF COVERAGE AND REQUIREMENTS

1. Detroit OE Advantage has a maximum 7years/750,000 miles coverage limitation.
2. If engine base warranty is expired, the customer is eligible to purchase Detroit OE Advantage. The child components may overlap from the base engine warranty but the customer will not be able to purchase the Detroit OE coverage until the Basic Engine coverage shows as “expired”.
3. Aftertreatment DPF Exchange service can be purchased separately as a Preventive Maintenance Service.
4. If Extended Engine Warranty (EW1-4) is expired, the customer is able to purchase Detroit OE Advantage
5. If unit has **active** Extended Engine Warranty (EW1-4) coverage, the customer is only eligible purchase Extended Next (other requirements may need to be met) and **NOT** Detroit OE Advantage.
6. If Extended **Next** warranty is expired, the customer is eligible to purchase Detroit OE Advantage.
7. If unit has a coverage determination of “**No Engine Warranty Coverage**”, the Dealer will need to contact [ASPHelp@daimler.com](mailto:ASPHelp@daimler.com) for contract review.
8. If unit has an expired Detroit OE Advantage coverage, the customer can add a second Detroit OE Advantage coverage. (Coverage term limits of 7years/750,000 miles and Inspect & Repair requirement would still apply).
9. If unit has a Detroit Remanufactured engine, the Dealer will need to contact [ASPHelp@daimler.com](mailto:ASPHelp@daimler.com) for contract review.

## OTHER TERMS

Under the Detroit OE Advantage Coverage plans, DTNA will pay for the parts and labor necessary to repair a covered engine component that fails during normal use and service due to defects in material or workmanship (“Covered Failure”) and is reported to an authorized Detroit service outlet during the coverage period. Detroit OE Advantage Coverage plans include the removal, repair, or replacement of the covered component and the replacement of service supplies (i.e., coolant, belts, oil, when not reusable as a result of a covered failure, and includes the repair of progressive damage to any engine part resulting from a covered failure). All repairs/service must be performed by an authorized Detroit service outlet.

No Deductible: This product has no deductible associated to the coverage.

No Dollar Cap: This product has no limited or maximum dollar cap associated to the coverage.

## COVERAGE START AND END

The applicable Detroit OE Advantage coverage period can only begin after the Detroit Engine Base warranty expires. **Contract date will start when the contract is created and approved in the OWL business system.** Detroit OE Advantage Coverage ends when the time or distance limit specified in the Detroit OE Advantage coverage purchased is reached. Detroit OE Advantage Coverage plan will automatically transfer to subsequent owner(s).

**Contract starts at the contract creation date** will conclude at a distance no greater than 750,000 miles (1,207,008 KM) or 7 years, whichever comes first. Pricing is subject to change and is in USD. Exchange rate will apply for Canadian purchases.

## COVERED COMPONENTS ASSOCIATED WITH EACH DETROIT OE ADVANTAGE COVERAGE PLAN:

Coverage Level	Covered Components
<b>Detroit OE Advantage Level 3 (OE3)</b>	<p><b>Engine Components:</b>            air inlet manifold, air compressor, air intake throttle valve, alternator bracket* , camshaft assembly, cold pipe assembly, connecting rod bearings &amp; bolts, cooler inlet pipe, crankshaft thrust washer, cylinder block, cylinder head assembly, cylinder liner, EGR system, engine-mounted sensors, exhaust manifold &amp; bellows, fan support assembly, flywheel housing, fuel filter housing, fuel injectors, gear case, gear train, high-pressure fuel system &amp; lines, hydraulic pump*, integrated engine brake, low-pressure fuel pump, main bearing bolts, main bearings, MCM/CPC, oil cooler housing, oil pan, oil press regulator &amp; relief valves, oil pump, pistons (rings, pins, retainers), rocker arm assembly, rocker cover, thermostat housing, turbocharger, turbo compound device &amp; coupling, turbocharger outlet elbow, valves (exhaust, intake), valve springs, guides, inserts, vibration damper, water pump.</p> <p><b>Aftertreatment Support System Components:</b>            aftertreatment NOx sensors, aftertreatment pressure sensors, aftertreatment temperature sensors, aftertreatment control module, DEF pump / metering unit / injection unit, electrical harness &amp; connectors*, hydrocarbon fuel line, hydrocarbon injection valve, hydrocarbon metering unit.  <small>*if supplied by Detroit</small></p>
<b>Detroit OE Advantage Level 4 (OE4)</b>	<p><b>All Detroit OE Advantage OE3 components and:</b>  <b>Aftertreatment System Components:</b> aftertreatment system mounting brackets &amp; clamps, diesel oxidation catalyst &amp; housing, diesel particulate filter &amp; housing, SCR catalyst &amp; housing</p>

### TIME AND DISTANCE OPTIONS

- 1 year 125,000 miles / 201,168 kilometers
- 2 year 250,000 miles / 402,336 kilometers

### ATS/DPF SERVICE EXCHANGE DETAILS

The ATS DPF Service Exchange is NOT required or included, but is available as a separate add-on service.

### DETROIT OE ADVANTAGE EXCLUSIONS

While these components may be covered within your Detroit Base Coverage or Extended Service Coverage, they are **excluded** from the Detroit OE Advantage coverage.

- Oil pan gasket,
- Seals and gaskets of oil coolant module,
- Cam frame seals,
- Cam cover gasket,
- Crank seals,
- Timing case gasket,
- Any HPFP oil/fuel seal or gasket,
- Air compressor seals and gasket,
- All cup plug leaks on block, head and other components,
- Internal lubrication system seals,
- Turbocharger oil seals,
- Protective sleeve seals
- Oil separator/Crankcase breather,
- Front end cover gasket,
- Belt tensioner
- Water Pump Seals

**DETROIT OE ADVANTAGE COVERAGE PLANS DO NOT COVER THE FOLLOWING:**

1. The replacement of normal maintenance items as outlined in the Engine Operator's Guide (including, but not limited to, filters, belts, hoses, air cleaners, and fluids).
2. Performance of engine tune-up unless required due to the failure of a Covered Component.
3. Parts not approved or supplied by Detroit, or parts furnished by another manufacturer or equipment supplier, or parts not included as part of the original vehicle or equipment. Examples of such parts may include but are not limited to air cleaners, air cleaner ducting, radiator, and radiator connections.
4. Progressive damage to any part, including Covered Components, **resulting from a failure of a part not covered** by this Agreement.
5. Failure due to misuse, negligence, accident, alteration, misapplication, lack of proper maintenance, or the use of parts not approved by Detroit.
6. Repairs or replacement of Covered Components not performed by an authorized Detroit service outlet.
7. Failures covered by a repairing outlet's guarantee.
8. Loss of time, loss of use of the product, inconvenience, lodging, food or other consequential loss that may result from a failure.
9. Towing, overtime, mechanic's travel time and/or mileage, storage, or freight charges.
10. Failures attributable to wear-out.
11. Repairs to non-covered parts.
12. Other charges or work not directly related to the repair or replacement of a warranted part, including but not limited to: federal, state, provincial, and local taxes; travel expenses; loss of revenue; customer labor, including overtime labor; downtime; driver's expenses; cost of rental equipment; loss of cargo, including perishable cargo; general housekeeping supplies (i.e., rags, solvents, sweeping compounds, coveralls, etc.); communication charges; repair or replacement of optional items not sold or installed by DTNA; removal or replacement of dealer, bodybuilder, or customer installed. Equipment; environmental fees, cleanup, or other charges; cost of emergency services; or towing/roadside assistance, overtime, mechanic's travel time, and/or mileage/kilometers.

**THE OWNER OF THE ELIGIBLE PRODUCT IS RESPONSIBLE FOR THE FOLLOWING:**

1. **Each Detroit OE Advantage Coverage purchase requires an Inspect and Repair event to occur.** The selling dealer is responsible to complete the Inspect and Repair form (available on the DTNA Connect ASP website) prior to the activation of the Detroit OE Advantage Coverage warranty.
2. Any cost of the incurred from the Inspect and Repair event process is not included in the contract purchase or covered by this warranty.
3. Failure(s) of the inspection without a demonstrated repair or remedy to the failure(s) will render the truck ineligible for coverage.
4. The performance of regular maintenance services as specified in the Engine and Vehicle Operator's Guide(s);
5. In the event of a failure, the Owner must: a) use all reasonable means to protect the engine from further damage; b) notify an authorized Detroit service outlet of the failure as soon as possible; provide the Detroit service outlet or Detroit with any information reasonably required.
