

DETROIT[™]
EXTENDED SERVICE COVERAGE

POWERTRAIN SERVICE COVERAGE FOR VOCATIONAL TRUCKS

VOCATIONAL

DEMAND DURABILITY

When you run Detroit[™] engines and axles, you know durability comes standard. All of our engines and components come with a comprehensive standard warranty coverage package featuring expedited parts and service for critical downtime situations. Even better, our fast, hassle-free process will get you running and back to work in no time. And if you'd like even greater coverage, see our extended warranty options below.

STANDARD WARRANTY

ENGINE

Engine: 2 years / Unlimited miles
Includes parts and labor

Injectors: 2 years / 200,000 miles
Includes parts and labor

Major components: 5 years / 500,000 miles

No charge on parts

Pays 100% of service outlet's normal charge

FRONT AXLES

3 years / 300,000 miles
2 years / Unlimited miles for M2
Severe Duty models

100% warranty coverage of all knuckle parts, including the kingpin

Covers I-beam, steering knuckles, spindles, kingpins, kingpin bearings and steering arms

Covers progressive damage

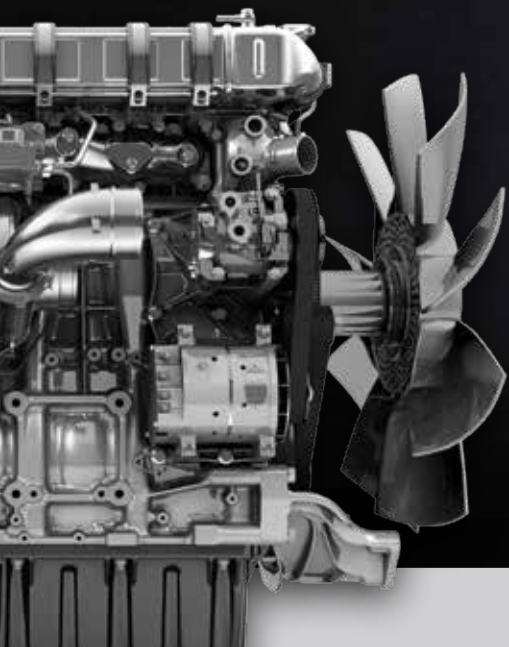

REAR AXLES

3 years / 300,000 miles
2 years / Unlimited miles for M2
Severe Duty models

Covers axle housing, carrier assembly, inter-axle differential, axle shafts, gaskets and seals

EXTENDED WARRANTY

With an Extended Service Coverage package, Detroit has your back for a very long time. Nearly every component on your DD13[®], DD15[®] TC or DD16[®] engine is covered by one of our comprehensive packages listed on the following page. Plus, your truck will be serviced by factory-trained technicians using Detroit Genuine Parts, so you know you'll always be getting the best. That's just how we do things around here.

TRANSFERABLE PROTECTION

Have a second owner prospect? Don't worry! Give them added value with the fully transferable extended service coverage.

INNOVATIVE PRICING

Roll the cost of the extended service coverage package directly into the monthly payments for your truck. For just a few extra dollars a day, you get long-term peace of mind the moment you hit the road.

DETROIT[™]
EXTENDED SERVICE COVERAGE

EXTENDED SERVICE COVERAGE ADVANTAGE

800+ CERTIFIED SERVICE LOCATIONS

All over the U.S. or Canada, you'll find Detroit-certified service locations staffed with factory-trained technicians who are experts in Detroit engines.

GUARANTEED DETROIT GENUINE PARTS

Our service locations use only OEM parts to ensure the highest quality, fit and finish for your truck.

FACTORY-MANAGED

You deal directly with Detroit, not a disinterested third party, so you know you're getting qualified service.

REDUCE MAINTENANCE COSTS

Control unexpected major repair costs which can affect operational efficiency.

AFTERMARKET SERVICE PRODUCTS PROTECTION

The Aftermarket Service Products division of Daimler was created specifically to protect your bottom line. Our flexible extended service coverage (ESC) options are designed to keep your trucks on the road longer and your business in the black by protecting you against unexpected downtime and repair costs. Find out more at our website, www.aftermarketserviceproducts.com.
